### Thanksgiving Pre-order Products

Six Grain Bread	Our best-selling bread, made with traditional white flour to which we add whole grain organic millet, flax seed, sunflower seed, rolled oats, and chopped rye. It is soft bread with a firm crust and the flavor of roasted grains.
Brioche	Our Brioche is loaded with European-style butter. Brioche has the texture of cake.
Cranberry Walnut Bread	With 75% whole grain, this is a substantial bread. It has plenty of cranberries and raisins for sweetness. It is shaped as a narrow loaf and baked on the hearth.
Six Grain Dinner Rolls	Dinner rolls made from the same dough as our Six Grain loaf above. These dinner rolls are 2.2 ounces before baking.
Brioche Dinner Rolls	Dinner rolls made from the same dough as our Brioche loaf above. These dinner rolls are 2.0 ounces before baking.
Pumpkin Pie	A nearly traditional pumpkin pie with bit of maple syrup and lots of spices.
Cranberry Gingersnap Pie	A spicy gingersnap crumb crust filled with cranberry curd and garnished with a sprinkling of candied ginger. Delish!
Brown Butter Walnut Pie	Similar to a traditional pecan pie, but with browned butter and vanilla for smooth richness. Each pie is loaded with over 2½ cups of toasted walnuts.
